Dragon Simulator 3D is a simulation game where you c

an be a dragon. The goal of the game is to complete the missions of d

ragons across the level and to collect stars. Once you have enough stars your dr

agon will upgrade to the next level and become stronger and faster. T

he missions in this game are really fun to play and they really impro

ve your dragon skills. Fly over the mountains and soar down the peaks to get the

feeling of actually flying.Dragons are not easy to control: Move aro
