<p></p><p>Five Nights At Freddy's 4 is the last part of th
e original Five Nights at Freddy's tale, where you must🎉 defend your
self from animatronic characters.</p>
<p>As a youngster with an unknown duty, you must protect yourself until 6
a.m. by keeping🎉 an eye on the doors and warding off any unwelcome anima
ls that may venture into your closet or onto the🎉 bed behind you. In thi
s version, you have to guard against more animatronic characters than the previo
us version, including Freddy🎉 Fazbear, Chica, Bonnie, Foxy, and even var
ious scarier creatures lurking in the shadows. Your duty will become extremely h
ard and🎉 challenging.</p>
<p>You can only protect yourself with a flashlight. It will scare away any
thing lurking at the far end of the🎉 corridors, but be cautious and list
en. If you go too near to anything, flashing lights in its eyes will be🎉
your undoing.</p>
<p>Note that Nightmare Fredbear works alone on Night Five and Foxy is in t
own. When you check the closet,🎉 get ready to shut the door immediately.
Check behind you on occasion! If anything sounds out of the ordinary at🎉
<p>all, shut the door!</p>
