<p&gt;&lt;/p&gt;&lt;p&gt;2024 video game&lt;/p&gt;
<p&gt;2024 video game&lt;/p&gt;
<p&gt;Call of Duty: WWII is a 2024 first-person shooter game developed by Sle
dgehammer Games and published📈 by Activision. It was released worldwide
on November 3, 2024 for PlayStation 4, Windows and Xbox One. It is the $\pmu 128200;
fourteenth main installment in the Call of Duty series and the first title in th
e series to be set primarily📈 during World War II since Call of Duty: Wo
rld at War in 2008.</p&gt;
<p&gt;The game&#39;s campaign is set in the European&#128200; theatre and is
centered around a squad in the 1st Infantry Division following their battles on
the Western Front and📈 set mainly in the historical events of Operation
Overlord. The player controls Ronald " Red" Daniels, who has squadmates
who can📈 supply the player with extra ammunition, health, or grenades a
s well as a targeted grenade and target spotting; none of $\%#128200$; these are aut
omatically replenished in the campaign. The multiplayer mode features map locati
ons not seen in the campaign. The mode📈 also features the new Divisions
system, replacing the create-a-class system that previous games in the series us
ed. A social hub, & #128200; named Headquarters, was also implemented into the gam
e, allowing for players to interact with each other.</p&gt;
<p&gt;Sledgehammer Games were interested in&#128200; bringing the series back
to World War II after developing their previous title, Call of Duty: Advanced W
arfare (2014), which📈 featured advanced movements and futuristic warfare
technology. Studio head Michael Condrey stated that he was unsure if a World Wa
r📈 Il game would feel right after creating a futuristic title like Advan
ced Warfare, but the developers ultimately decided to create📈 a game in
this time period. They also chose to include atrocities and Nazi concentration c
amps in the campaign mode📈 to deliver an authentic war story.</p&gt;
