&lt;p>It s a really good game it s fun to play and entertaining I like this g  
ame because you couldn t make /, sure the sound and there s no sound without lo  
ading up your device or 11 get down so get down so /, it s a really good game i  
t s fun to play and it really entertaining I like this game because you can /,  
make sure the sound and there s no sound without increasing up your device or lo  
wing it so what I would /, like to say is that they should get quite a bit of a  
n upgrade and stop telling you to continuously /, get something because during  
the run because you d be focusing on your high score instead of something else a  
s it s /, really distracting and takes up a lot of your time during the run as  
in addition I would like to /, say that there is quite a couple of good things  
about this because you can watch an advert if you /, wanted to you to get the d  
aily rewards are really rewarding and you can get a lot of keys which /, would  
help you speed up one thing I do not like about this game is how the speed goes  
up /, as you run fast I guess that s all the cons and all the pros Plus there s  
a lot of kind /, of thing you d get five of something and you get is money and  
in the money the randomising money thing /, is that you didn t after 10,000 co  
ins right but usually it is 1000 coins and below which is kind of /, really ran  
dom because it s frustrating as I m trying to get a lot of money which would hel  
p if you d allowed /, us to get a lot of money in a certain time not just 1100
