World at War (2008) The

fifth Call of Duty installment, World at War, was the official introduction to

the famous Zombies mode. This is where Nazi zombies originally came from. World

at War's Zombies were not campy, and just genuinely terrifying.

there is no zombie mode in the modern warfare series

. there is a multiplayer mode called infected but thats it. besides Advance

d Warfare, and WWII, the black ops franchise is the only call of duty with a zom

bies mode that has been in it throughout the entire franchise.
