23 Dec 2024 15.13 GMT Erik ten Hag talks to TNT.

We had a solid performance

we were controlling the game we performed very solid, controlling the

game in possession we also didn't give chances away we had to score we had

opportunities then one moment of switching off, we conceded a goal we have

options Marcus Rashford can play all positions across the front when striker

doesn't score confidence will decrease, but they have to believe as a team we

have to make the passes in the final third [the central defensive partnership]

played well but you want to have routines and when the routines are not there you

concede a goal like we did when the routines are in, this moment is out.

23 Dec 2024 15.08 GMT David Moyes speaks to TNT Sports.

It was a great

win for us we didn't do brilliant in the first half but we did a job as the

game went on we got much better sometimes when you make the change it doesn't

work, but we put Paqueta more like a number nine and he held the ball up brilliantly

they are really talented players and we can move them around we've won

31 games in the calendar year we've won a trophy in the middle of it as well

West Ham aren't going to win all of our games, we're not that sort of club we

are not that team, we're not ready to do that, but I hope we can build towards

it we've just lost the best player in England in the summer but we're in a

pretty lofty position if we'd have been knocked out [of the League Cup] by Lincoln

in the first round, I'm not sure people would be taking so much about [the

midweek selection at Anfield].

23 Dec 2024 14.59 GMT A glum Luke Shaw speaks honestly to TNT. Just not

good enough, really we have to win games and that's it we keep losing games

and points and making it very hard for ourselves especially that second half

, not good enough the first half we controlled the game if we scored the first

goal, maybe the result is different, but we don't, so we suffered in the second

half, and again, it's not good enough I don't feel [West Ham's tactical changes]

disrupted us the pass was an unbelievable pass and he got a bit of luck
