The site is very user-friendly, with lots of games to offer, but lacks a Responsible Gambling section. 35x wagering requirements are fair bonus terms compared to the rest of the market in Canada. JVSpin was just launched in 2024, so it still needs more time in the market before establishing itself amongst Canadian players. JVSpin might be a new casino in Canada but appears to have the platform of an experienced online casino. Players will already be able to join a VIP program, play through a huge variety of games, and even download a mobile app for Android. However, we can't look away from the fact that there doesn't seem to be a Responsible Gambling section on the site.
