Along with the eight remastered maps, Zombies Chronicles also comes with the following bonus content included in the expansion's download: 20 Vials of Liquid Divinium; 2 All-New WHIMSICAL GobbleGums; 5 Exclusive Zombies Pack-A-Punch Weapon Camos; and 2 All-New WHIMSICAL GobbleGums.

If you are thinking about buying this dlc, you need to know which group you belong to so you can make the best decision. If you are a casual zombies player who has maybe played a couple maps here and there, or never played one at all, you should probably wait to buy this dlc.
