rcuit Court of Appeals declined to grant the regulator an emergency stay ㈒
0; of a ruling that allows the deal to proceed in the US. The United Kingdom

agreed to put 💴 their legal battle over the deal on hold and negotiate
a compromise.</p>

<p>"From Day One of this acquisition, we ve been committed to address
ing the concerns of regulators, platform and game developers, 💴 and con

to Spencer's post. "Even after we cross the 💴 finish line for
this deal s approval, we will remain focused on ensuring that Call of Duty remai
ns available on more 💴 platforms and for more consumers than ever befor

<p>Spencer did not disclose the terms of Microsoft's deal with Sony, t
hough Stephen 💴 Totilo of Axios later confirmed that it is 10 years in
duration. Microsoft first offered Sony a 10-year deal to 💴 keep Call of
Duty on current and future PlayStation consoles at the end of last year, though
the Japanese electronics 💴 giant turned down the olive branch at the t

💴 and CMA, Microsoft went on to sign an agreement with Nintendo to bring the se
