&Story

The game takes place during World War II and its story is divided into
three separate campaigns Soviet, British, German and American each focusing on
different historical events. Soviets start their campaign during the Battle of
Moscow and have German to defend the city, while the British start in North Africa
and are tasked with a sneak attack on Afrika Korps troops. American campaign,
on the other hand, begins during the famous D-Day and takes the player through
other important German events, including the ones revolving around the Hill 400

Gameplay
Call of Duty 2 game is a first-person shooter, meaning you will spend most of
your time running from point to point in order to complete your objectives,
killing enemy soldiers in the process. It's important to note that you are not
the chosen one, and you will easily die if you are not aware if you want to
succeed, you have to cooperate with other soldiers, who can draw enemy
fire or lay down covers for you.

The game features a variety of historically-accurate weapons from the WWII
era. Defeated enemies drop their weapons you can pick them up and use
, but you can only wield two firearms at any given time. Combined with limited
ammo, you are encouraged to make use of everything you can find. Defeating a
