Activision has once again stated that this year's Call of Duty: Modern Warfare III is a "premium release." As such, it will cost \$70 USD

for the standard edition. Activision confirmed this to CharlieIntel, following ongoing speculation that Modern Warfare III might be a lower-priced game.

Unfortunately, the simple answer as to why MW2 is set at such a high price is that \$70 has become the new standard for triple-A games. Sony has been pushing a \$70 price tag on many of its games since the PS5 and Xbox Series X/S were released, charging more for versions that were made for the upgraded console.

A fortuna do imperador romano Adriano, que reinou de 117 a 138 d.C., é um tema amplamente discutido entre historiadores e estudiosos. Embora não exista um registro exato do valor monetário de suas posses, sabe-se que o império romano atingiu o auge de prosperidade econômica durante o reinado de Adriano.
