<p></p><p></p>The game is similar to candy crush, except that inst
ead of candy, we have Harry Potter characters. The game is 💹 structured
on levels, which have an increased level of difficulty as they are passed succe
ssfully. At each level, you will 💹 have a limited time to solve it. You
will have to match at least 3 characters in the same row 💹 to earn poi
nts. Try to solve the level as fast as possible so that in the end you make sure

💹 that you manage to win it.</p>
<p>Here you will also meet boosters or special powers that you receive as
a gift 💹 depending on how many characters you join in the same row. For
example, if you manage to unite five characters 💹 in the same row, you
will receive extra points and extra time to continue the level and manage to co
llect 💹 more coins. The game is suitable to be played with your friends
because they can also give you hints to 💹 help you identify the matche
s in the game map faster. You will also have fun together and be able to ㈒

5; test your attention together.</p>

<p>Enjoy it!</p>
