About Free Escape Games

Escape games, also known as escape room games, are a category of puzzle games that challenge players to use elements of the game environment to escape a confined environment. The concept was first popularized in Japan, where the first escape game, titled MOTAS (Mystery Of Time And Space), was released in the early 21st century. Designed by Toshimitsu Takagi in 2004, it sparked the global trend of escape games enjoyed by players of all ages today.

This genre of games brings the thrill and excitement of the real-life escape room experience to the digital world. Players can immerse themselves in various narratives, such as escaping from a spooky haunted house, a deserted island, a high-security prison, or even a mundane office.

Escape games also echo elements of pop culture. Can you imagine yourself in the shoes of Harry Houdini, the iconic escape artist? Or perhaps translate the adrenaline-pumping escape scenes from popular movie franchises such as Prison Break or The Shawshank Redemption?

What types of escape games are there?

Poki has the best free online games selection and offers the most fun experience to play alone or with friends. We offer instant play to all our games without downloads, login, popups or other distractions. Our games are playable on desktop, tablet and mobile so you can enjoy them at home or on the road. Every month over 50 million gamers from all over the world play their favorite games on Poki.
