Story  
The game takes place during World War II and its story is divided into  
three separate campaigns Soviet, British, and American each focusing on  
different historical events. Soviets start their campaign during the Battle of  
Moscow and have to defend the city, while the British start in North Africa  
and are tasked with a sneak attack on Afrika Korps troops. American campaign,  
on the other hand, begins during the famous D-Day and takes the player through  
other important events, including the ones revolving around the Hill 400  
.  
Gameplay  
Call of Duty 2 game is a first-person shooter, meaning you will spend  
most of your time running from point to point in order to complete your  
objectives, killing enemy soldiers in the process. It's important to note that  
you are not the chosen one, and you will easily die if you are not aware  
if you want to succeed, you have to cooperate with other soldiers, who can  
draw enemy fire or lay down covers for you.  
The game features a variety of historically-accurate weapons from the WWII  
era. Defeated enemies drop their weapons you can pick them up and use  
, but you can only wield two firearms at any given time. Combined with  
limited ammo, you are encouraged to make use of everything you can find. Defeating  
groups of enemies can be done with frag grenades, while smoke grenades provide  
tactical cover.
