<p></p><p>About game «Age Of War»</p>
<p></p>
<p>Well, to be honest, the name of the newest Age of War game, whose main
objectives 👄 are to defend your own kingdom and vanquish the opposition
, is very lame. Let's attempt to explain our reasoning. The 👄 answe
r is straightforward: after beginning the battle, we got so engrossed in it that
we spent an hour or so 👄 working to solve the puzzle. What drew us in
so strongly that it was challenging to leave. The first is 👄 enjoyable
since it introduces you to amusing characters who are struggling to survive. The
second is that we gradually moved 👄 into the era of knights after the
battles of primitive people with the aid of everyday weapons like sticks and
28068; riders on dinosaurs, then there was the era of musketeers, the era of co
mmon warriors with machine guns, the era 👄 of tanks, and the final era
- space warriors!</p>
<p></p>
<p>You have a set amount of money at your disposal, which you 👄 c
an employ to build a sizable or merely numerical army. Additionally, there will
be three different sorts of soldiers in 👄 every era save the last two,
and four to five in the latter two. Tanks and super warriors will be 👄
present in the latter.</p>
