e you can ; make sure the sound and there's no sound without increasing
up your device or lowing it so what I would ; like to say is that they
should get quite a bit of an upgrade and stop telling you to continuously €
182; get something because during the run because you'd be focusing on your hig
h score instead of something else as it's ; really distracting and take
s up a lot of your time during the run as in addition I would like to 💶
say that there is quite a couple of good things about this because you can watc
h an advert if you 💶 wanted to you to get the daily rewards are really
rewarding and you can get a lot of keys which 💶 would help you speed up
one thing I do not like about this game is how the speed goes up 💶 as
you run fast I guess that's all the cons and all the pros Plus there's a lot of
kind 💶 of thing you'd get five of something and you get is money and in
the money the randomising money thing 💶 is that you didn't after 10,00
0 coins right but usually it is 1000 coins and below which is kind of 💶
really random because it's frustrating as I'm trying to get a lot of money whic
h would help if you'd allowed 💶 us to get a lot of money in a certain t
ime not just 1100 or 200
