Are you looking for a unique gaming experience that stands out from the crowd? Look no further than Sniper 3D Target Shooting. This game takes you beyond the typical shooter game, requiring not only a steady hand, but also strategic thinking. You'll have to consider factors such as target distance, wind direction, and even your character's breath control during challenging shots. The game is so realistic that if you're not careful enough to step on an anti-personnel mine, it will most likely explode instantaneously.
