Blackout is a Battle Royale game where the last person or team standing wins. The game is set on a large map with various buildings and terrain. Players are dropped onto the map and must scavenge for weapons and resources. The map is divided into zones, and the safe zones shrink over time, forcing players into closer quarters. The game is known for its intense combat and strategic gameplay.

Blackout map and pick the best in-place to start your fight. Once you hit the ground, loot buildings for weapons and resources. Engage your enemies within the map's safe zones. Evade or engage them as you see fit. The game is a test of skill and strategy.

LEAVE NONE BEHIND. This is a game of survival. You must be prepared for anything. The odds are against you, but that's what makes it so exciting. The game is a challenge for all players.
