A expressão "rest of the match" geralmente é usada no contexto de apostas desportivas, especificamente nos jogos de futebol. Para melhor entender este conceito, propomos um exemplo ilustrativo abaixo.

Suponha-se que alguém realize uma aposta no Tottenham como vencedor do "resto" da partida para o jogo Tottenham Hotspur vs. Liverpool FC. Neste momento, a aposta colocada no minuto 72 do tempo de jogo, com o placar 0:2 a favor do Liverpool. No entanto, a partida termina 2:3 a favor do Liverpool.

Neste cenário, mesmo o Tottenham tendo perdido temporariamente no intervalo, os apostadores que confiaram neles poderiam ainda vencer a aposta se algum gol fosse marcado pelos Spurs no "restante da partida". Neste exemplo, os apostadores que colocaram as suas apostas após o 72º minuto receberiam retorno no caso dos resultados cumpridos no final do jogo.

"Rest of the match" é uma expressão utilizada quando se fizeram referências às partes mais relevantes de algo e agora se pretende mencionar as demais partes menos importantes. Neste caso, as condições relevantes são as condições da aposta e o destino pretendido seria o fim do jogo.
