The German Criminal Code penalises the operation and advertising of unauthorised games of chance, i.e. if they are operated without a licence. Sebastian Weckel is a member of VfB Stuttgart, also known as Verein für Bewegungsspiele Stuttgart 1893, a professional sports club with headquarters in Stuttgart, Germany. Founded in 1893, the club has grown since its first days to become a true football club of regional and national importance, an essential element in the daily lives of many people. With more than 90,000 members, VfB Stuttgart is, by a long way, the largest sports club in the state of Baden-Württemberg and one of the ten largest clubs in Germany. The club's motto is "Weckel is the front wheel of the car, the rear wheel is the driver, the steering wheel is the Weckel".
