Although Supernatural had a shockingly long run of fifteen seasons, which ended in 2024, it seems that the show may be revived for Supernatural season 16. However, in order for the series to continue with the same main characters, a new season would have to involve one terribly overused trope.

If your order is shipped via Regular Mail, the delivery will be made by the local Postal services in your area.

The methods and timeframes for delivery vary from country to country, but usually they will make up to two delivery attempts before leaving a card and holding your parcel at the local postal office.

The card will state the date and time they tried to deliver the parcel, the address and business hours of the postal office where your parcel is being held, the date it will be available for pick-up and sometimes a reference code.

In some occasions a redelivery can still be arranged with them or, if this is not possible, you will have to pick up the parcel at the designated postal office. Usually they will hold the parcel for up to two weeks after which the parcel will be returned to the Rewards Store or disposed of.
