Open the 'Configuration Files' section from your control panel. Just follow the steps below:

1. Select the 'Text Editor' option next to 'main\server.cfg'.
2. Refer to the Example Configuration below and change the respective settings where you need to do so in order to configure your server to your desires.

CoD4 is still a lot of fun. Plenty of people still play it, and most of the servers have more than enough players to play properly. I can join my favorite server in 10 seconds.
