You have probably not played games such as Hoshi Saga, so allow us to use what we have left in this description to explain the gameplay, so you can start it immediately, and do a great job at it. This is an interactive puzzle game. In each level, your goal is going to be to find the star that is hidden among different things that you can see on the screen. With the mouse you are going to interact with them, with the purpose of revealing the location of the star, and when you achieve that, you will have won the level. There are no less than 25 stages, each one more fun than the last
