<p> x have glassesing&quot;. As Viatora Definitional | Meianing / Merriam/  
Webster</p>  
<p>&#225; Bookies set odds for sporting events or other compet  
itions that attract betting action. The odds are designed to encourage betting  
, on both sides of an event, ensuring that the bookie will make a profit regard  
less of the outcome. They do , this by adjusting the payout odds to favor the  
less likely outcome, thus ensuring a profit even if the majority , of bets are  
placed on the more likely outcome.</p>  
<p>Bookies also collect a commission, known as the &quot;vig&quot; or &quot;  
t;juice,&quot; on , losing bets. This commission is typically around 10% of th  
e total amount wagered. By collecting this fee on all losing , bets, bookies a  
re able to generate revenue even if they pay out a significant amount of money t  
o winning bettors.</p>  
<p>Finally, , bookies may limit the amount of money paid out to winning  
bettors. This is done to manage risk and ensure , that the bookie remains prof  
itable. By limiting the payout to winning bettors, bookies are able to protect t  
hemselves from large , losses in the event of a significant upset or unexpecte  
d outcome.</p>  
<p>In summary, bookies make money through a combination of setting , odd  
s, collecting commissions, and limiting payouts to winning bettors. These strate  
gies allow them to generate revenue and remain profitable over , the long term
