Horror Dungeon 3D is a scary survival game where you

re trying to escape from a spooky castle. Youre trapped in

a dark, mysterious, medieval castle with maze-like corridors and locked doors that

can be unlocked with old-fashioned keys lying around in the castle

for you to find them. Admire the beautiful architecture, stonework, paintings,

and tapestries while youre exploring the many interesting and exciting

rooms in the castle. Keep an eye out on the yellow keys, as you need 6

of them to escape this hauntingly beautiful nightmare. Oh one more thing:

The castle is not abandoned, and there are scary things lurking about!

If youre caught in a dangerous situation, make use of your flashlight

quickly if you want to escape. Do you have the courage to collect all

six keys? Share Horror Dungeon 3D with your friends if youre too

scared to play alone.
