There are more than 300 thematic categories on our site. The section of 1001 games designed for tablets and smartphones, which also work on desktops, is also growing rapidly. We have collected for you a vast number of games, including all the most famous game series that are updated daily, which are not available on the original Poki website yet. To start with, choose the genre you like, then decide on the game you want to play and launch it right away, without registering and downloading it to your computer.</p>

<p>From Flash to HTML5 available without Poki games</p>

<p>Since people have always enjoyed unwinding and having fun, they have created numerous devices or simply exploited resources that were available to them. That is how things familiar to us were created: balls, skittles before that they were just stones and sticks. But now we have all these technology and devices, thanks to which the gaming component of everyday life has increased many times.</p>

<p>Since modern browsers have stopped supporting Flash technology since 2024, games based on this system are gradually leaving web pages. However, there are still some of the most popular toys that work in browsers using special emulators. HTML5 technology significantly expands the possibilities for players. Created using modern developments, HTML5 games can be launched both on desktops and on many other devices of various modifications.</p>
