In FNAF 4, you play from a first-person perspective

and must use various tools to protect yourself from the animatronics.

Your primary tool is a flashlight, which you can use to keep track of the anima

tronics' movements. You can also close doors and windows to keep

them out, but these actions consume your limited supply of power. The animatroni

cs move around your bedroom and can attack you from any angle, so you

must use your senses and quick reflexes to survive.

How to Play

To play FNAF 4, you will need to use the arrow keys or W, A, S, and D

keys to move around. You can use the space bar to shine your flashligh

t and the mouse to interact with objects. The game is split into five

nights, with each night becoming progressively harder. You must survive until 6

:00 AM to complete each night.

Conclusion

Overall, Five Nights at Freddy's 4 is a thrilling horror game that

will keep you on the edge of your seat. The game's unique mechani
