building in the popular game Fortnite, you can build structures to change the outcome of the fight. In the Battle Royale game modes the sole survivor wins the game. The goal of the game modes is to be the last player standing, using the different weapons and building blocks at your disposal. Build walls and ramps to defend yourself or to create an opportunity to attack your opponents. Use your axe to break down your opponents' structures, other human and animal (rats), with bloody death by knife or hammer. And hooks! The game also includes the vampire-like man Without skin cannibalizing others and The cyborg/likes Demons called difcibitES... Mattress Murder.... Frank's!
