<p>It's a really good game it's fun to play and entertaining I like this game because you couldn't make sure the sound and there's no sound without loading up your device or 11 get down so get down so 😆 it's a really good game it's fun to play and it really entertaining I like this game because you can 😆 make sure the sound and there's no sound without increasing up your device or lowering it so what I would 😆 like to say is that they should get quite a bit of an upgrade and stop telling you to continuously 😆 get something because during the run because you'd be focusing on your high score instead of something else as it's 😆 really distracting and takes up a lot of your time during the run as in addition I would like to 😆 say that there is quite a couple of good things about this because you can watch an advert if you 😆 wanted to you to get the daily rewards are really rewarding and you can get a lot of keys which 😆 would help you speed up one thing I do not like about this game is how the speed goes up 😆 as you run fast I guess that's all the cons and all the pros Plus there's a lot of kind 😆 of thing you'd get five of something and you get is money and in the money the randomising money thing 😆 is that you didn't after 10,000 coins right but usually it is 1000 coins and below which is kind of 😆 really random because it's frustrating as I'm trying to get a lot of money which would help if you'd allowed 😆 us to get a lot of money in a certain time not just 1100 or 200</p>
