

roleta com nomes

The show originally ran for 15 seasons, with a total of 327 episodes.

If each episode

approximates the probability of leucemia, influenza, pneumonia, AIDS,

and other diseases, the show is

amazingly accurate. The show is a

great example of how a simple

idea can be turned into a successful

television show.

The show is a great example of how a simple

idea

can be turned into a successful

television show.
