vel;

o eixo y representa a quantidade de observações ou ocorrência

s de cada valor no eixo x.

Original Tradução;

Same bed, but it feels just a little bit bigger now Our song on the radio,

but it doesn't sound the same When our friends talk about you, all it does is just tear me down Cause my heart breaks a little when I hear your name It all just sounds like, ooh Too young, too dumb to realize That

I should've bought you flowers and held your hand Should've given you all my hours when I had the chance Take you to every party, 'cause all I wanted to do was dance Now my baby is dancing, but she's dancing with another man My pride, my ego, my needs and my selfish ways Cause I used a good strong woman like you to walk out my life Now I'll never, never get to clean up the mess I made, oh And it haunts me every time I close my eyes It all just sounds like, ooh Too young, too dumb to realize That I should've bought you flowers and held your hand Should've given you all my hours when I had the chance Take you to every party, 'cause all I wanted to do was dance Now my baby is dancing, but she's dancing with another man Although it hurts I'll be the first to say that I was wrong Oh, I know I'm probably much too late To try and apologize for my mistakes But I just want you to know I hope he buys you flowers, I hope he holds your hand Give you all his hours when he has the chance Take you to every party 'Cause I remember how much you loved to dance Do all the things I should've done When I was your man Do all the things I should've done When I was your man
