

O O bet365

Ludo (/ludos /; from Latin ludor '[l] play') is a strategy in board game for two to four players, on which the five dice are used. The race starts with an roll of a single die. The game is played on a board with 30 holes and 30 tokens. The goal is to be the first to get all your tokens out of the board and into your home. The game is played with a single die and a board with 30 holes and 30 tokens. The goal is to be the first to get all your tokens out of the board and into your home. The game is played with a single die and a board with 30 holes and 30 tokens. The goal is to be the first to get all your tokens out of the board and into your home.
