<p>It s a really good game it s fun to play and entertaining I like this game because you couldn t make 🎉 sure the sound and there s no sound without loading up your device or 11 get down so get down so 🎉 it s a really good game it s fun to play and it really entertaining I like this game because you can 🎉 make sure the sound and there s no sound without increasing up your device or lowing it so what I would 🎉 like to say is that they should get quite a bit of an upgrade and stop telling you to continuously 🎉 get something because during the run because you d be focusing on your high score instead of something else as it s 🎉 really distracting and takes up a lot of your time during the run as in addition I would like to 🎉 say that there is quite a couple of good things about this because you can watch an advert if you 🎉 wanted to you to get the daily rewards are really rewarding and you can get a lot of keys which 🎉 would help you speed up one thing I do not like about this game is how the speed goes up 🎉 as you run fast I guess that s all the cons and all the pros Plus there s a lot of kind 🎉 of thing you d get five of something and you get is money and in the money the randomising money thing 🎉 is that you didn t after 10,000 coins right but usually it is 1000 coins and below which is kind of 🎉 really random because it s frustrating as I m trying to get a lot of money which would help if you d allowed 🎉 us to get a lot of money in a certain time not just 1100 or 200</p>
