This is a fairly standard campaign length for a mod

ern Call of Duty game, which usually lean towards being short and punchy rather

than extended military campaigns (so to speak). Actual missions in COD Vanguard

are a bit longer than you'd expect though.

Highly recommended for CoD fans and peo

ple looking for a bit of mindless fun set in WW2. Even though the campaign is ex

tremely predictable and the multiplayer is plagued with tones of issues, Call Of

Duty: Vanguard is, after all, still a Call of Duty title, and will appeal to al

l hardcore Call of Duty fans.
