<p>What is the bubble?</p>

<p>This is the point in a tournament where the next player out does not take any winnings. &#129766; The remaining players will take something away from the table.</p>

<p>Example: The tournament you are in states that the top 25 &#129766; players will win money and there are 26 players left. These 26 players are on the bubble . The one player &#129766; that is knocked out and gets no reward is said to have been knocked out on the bubble .</p>

<p>Playing the bubble &#129766; Different strokes for different folks!</p>

lt;/p>

<p>Make no mistake when the bubble period is reached in a tournament, things change. It &#129766; really is the do-or-die time. It is fairly common to find players changing their style dependent upon the stack in &#129766; front of them.</p>
