<p>There are no Poki games here! Why? One of the tasks of our site is to p

rovide you with access to high-quality games that can compete with Po

ki games. All games present in our catalog are free. There are more t

han 300 thematic categories on our site. The section of 1001 games designed for

tablets and smartphones, which also work on desktops, is also growing

rapidly. We have collected for you a vast number of games, including all the mo

st famous game series that are updated daily, which are not available

on the original Poki website yet. To start with, choose the genre yo

u like, then decide on the game you want to play and launch it right away, witho

ut registering and downloading it to your computer.

From Flash to HTML5 available without Poki games

Since people have always enjoyed unwinding and having fun, t

hey have created numerous devices or simply exploited resources that were availa

ble to them. That is how things familiar to us were created: balls, s

kittles before that they were just stones and sticks. But now we have

; all these technology and devises, thanks to which the gaming component of eve

ryday life has increased many times.

Since modern browsers have stopped supporting Flash technolo

gy since 2024, games based on this system are gradually leaving web pages. Howev

er, there are still some of the most popular toys that work in browse

rs using special emulators. HTML5 technology significantly expands the possibili

ties for players. Created using modern developments, HTML5 games can

be launched both on desktops and on many other devices of various mod

ifications.
