while avoiding obstacles such as spikes. GeOMetry Dash consists of 26 full-length levels. The game is a 2D platformer where you control a snake that can move in four directions. The goal is to reach the end of the level without hitting obstacles or yourself. The game is available on PlayStation 4, Xbox One, and PC. It is a free-to-play game with optional in-app purchases. The game is developed by Robtop Games. It is a very popular game among kids and teenagers, but it is not specifically designed for children. Snake.io is generally considered safe for kids to use, as it does not have any explicit or inappropriate content. However, it does feature in-app purchases and advertisements, which can be a source of frustration for some players.
