Season 7 has the reputation of being one of the worst if not THE worst season of Supernatural. Although I've been watching Supernatural since 2008, I've never revisited season 7 after its initial run.

Season 5 (2009-2010) Originally, many fans believed the fifth season of Supernatural would be the last of the show. It is Eric Kripke's last season as the showrunner and the last season of the original story plan for the series. That's largely what makes it so great.
