

O O bet365

Generally, a bank or credit union has until the next business day to make your cash deposit available to withdraw or to use these funds to cover your checks and debits.

I made a cash deposit into my checking account. I attempted a withdrawal and it was declined.

Withdrawals may take up to 2-3 working days to reflect in your bank account. We make every endeavour to make this process as quick and easy as possible on our side, but we are to some extent at the mercy of the banking institutions with whom we deal and cannot make their processes any faster.
