Pole Riders is a skill game where your objective is

to do pole vaulting and knocking a ball suspended above your head into

the opponent's castle. Player 1 uses the WASD keys to control their character,

and Player 2 uses the arrow keys to control their character. Pressing

left and right respectively will make them run left and right. Pressing

up and down will raise or lower the pole they're holding in relation to

which direction they're facing. The ultimate goal of the game is

to knock the ball in the middle to the opposite goal. Do you have what it

takes to be the last one standing above the ground? Share the game with your

friends to multiply the fun! Player 1 uses WASD to control their character,

and Player 2 will use the arrow keys to control their character. Pole

Riders was created by Bennett Foddy. Play their other legendary games on
